

What is Citrus Extra?

A fast-acting, biodegradable, pre-spray detergent, CITRUS EXTRA is designed for use on all types of carpet. CITRUS EXTRA is diluted and then sprayed directly onto the carpet. It is then extracted with clean water.

Key Benefits

- ✓ Conforms with AS3773 "Textile floor coverings - Cleaning maintenance techniques for domestic and commercial carpeting"
- ✓ Safe to use on all carpets, even new stain-resistant nylons
- ✓ Excellent cleaning power
- ✓ Contains biodegradable surfactants, no added phosphates and environmentally preferable.

How Does It Work?

CITRUS EXTRA is based on natural orange oils which have a strong cleaning action and a pleasant fragrance. CITRUS EXTRA's excellent cleaning power provides great economy of use and does away with the need for detergent or additives in the solution tank or the feed lines of truck-mounted units. CITRUS EXTRA is a free rinsing cleaner, so after pre-spraying, one pass with water in the wand is all it takes to clean and revive the carpet. Being a low-alkaline pre-spray, CITRUS EXTRA is safe to use on carpets in trains, boats and planes and will not affect aluminium, fibreglass or painted surfaces. It is also less likely to cause skin irritations.

For Use On...

CITRUS EXTRA is designed for use on all types of carpet including hard to clean, low cost acrylics, new generation, stain resistant nylons and pure wool or wool blend carpets as well as Persian rugs, bleeders and printed carpets. CITRUS EXTRA is diluted and then sprayed directly onto the carpet.

Technical Data

Composition

CITRUS EXTRA contains biodegradable surfactants that have been derived from naturally grown plant crops including sugar and coconuts. The formula also includes orange oils, citrates and stabilizers.

Properties

COLOUR – Yellow transparent liquid

- ODOUR – Mild
- pH = 9.75 ± 0.25 at 1 in 20 dilution
- 8-10.8 (as supplied)
- Low foaming

Environmental Care

CITRUS EXTRA conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. CITRUS EXTRA is non-flammable, biodegradable, phosphate-free and based on renewable raw materials. CITRUS EXTRA containers will be cleaned and reused if returned to Agar Cleaning Systems, significantly reducing plastic usage and waste. They can also be recycled.

Colour Coding

Colour Code

10

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product

that are identified by colour and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
 2. On the matching Dispenser Spray Bottle.
 3. On the product chart for Colour Coded Cleaning.
- This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
CITRUS EXTRA	Beige	10	Carpet and spot cleaners

CITRUS EXTRA is a Colour Code 10 (beige) product.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.

Product Data Sheet

Product Code: CITE

Issued: August 8, 2024

First Certified: 30 April 1996 SAI Certificate No.:
QEC7358

Application

- Remove litter from carpet and vacuum if necessary.
Move furniture or place foil under legs. Dilute CITRUS EXTRA as follows and spray directly onto the carpet:

For light to medium soilage:

- 1 part CITRUS EXTRA in 30 parts water

For heavy soilage:

- 1 part CITRUS EXTRA in 20 parts water.

Extraction after applying:

- Do not add any chemicals to the extraction tank. Use only warm water and extract the carpet after a dwell time of 3-5 minutes (55°C for stain-resistant carpets and 70-75° for all others. Cold water may be used satisfactorily if warm water is not available.)
- Avoid over wetting the carpet. Allow carpet to dry as quickly as possible, provide ventilation where possible.

Available in: 5L, 20L

Dispensing Accessories:

Colour-coded printed dispenser bottle, 500ml – Code

D10

Trigger 500ml Bottle Plain Blue/White – Code DTR

Hand Pump for 5L Bottle (30ml/Stroke) – Code DHP30

Hand Pump for 20L Drum (30ml/stroke) – Code DHP20

Tap in Cap 5L - Code DTC5

20L Drum Tap – Code DTAP

Tap in Cap 20L – Code DTC20
