

What is Mechanix?

MECHANIX is a professional workshop hand cleaner for removing all types of tough, industrial soils such as oil, grease, tar, sealants, soot, dirt and paint.

Key Benefits

- ✓ Easy on the skin
- ✓ Contains porcelain microspheres – no scratching
- ✓ Very low solvent level
- ✓ Rich in skin softeners

How Does It Work?

MECHANIX utilises the best mild detergent compounds coupled with porcelain microspheres to provide a gentle scrubbing action that removes the toughest in-grained oil and grease. The skin softeners and emollients in MECHANIX leave the hands feeling soft and refreshed. MECHANIX is easy on the environment because it contains biodegradable surfactants.

For Use On...

MECHANIX is a professional workshop hand cleaner for removing oil, grease, tar, sealants, soot, dirt and paint.

Technical Data

Composition

MECHANIX is a gel hand cleaner containing cosmetic-grade soaps and surfactants together with lanolin, glycerine and almond oil derivatives.

Properties

APPEARANCE – Opaque green thick liquid
COLOUR – Green
ODOUR – Faint citrus
pH = 6.2 – 7.2
FOAM – High foam level

Environmental Care

MECHANIX conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. MECHANIX is non-flammable, phosphate-free, biodegradable and free from plastic beads. MECHANIX containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".
First Certified: 30 April 1996
SAI Certificate No.: QEC7358

Application

- Do not wet hands before applying.
- Apply a small amount of MECHANIX to the hands (2-4mL).
- Rub MECHANIX over the back and palms of the hands, paying attention to the nails. You will see the grease dissolve.
- Rinse hands and then dry.
- If no water is available, apply MECHANIX, rub then wipe hands clean with paper towel or cloth.
