

Product Data Sheet

Product Code: SUPF

Issued: February 25, 2011

What is Superforce?

SUPERFORCE is a fragrant, powerful and versatile detergent which is aggressive on dirt but safe to use, even on polished floors.

Key Benefits

- ✓ Highly active cleaner, sanitiser, deodorant. Dilutes up to 1 in 160.
- ✓ Concentrated - goes further than other cleaners.
- ✓ Suspends dirt and soil - won't redeposit onto floor.
- ✓ Effective in hot or cold water: no rinsing necessary
- ✓ Low suds - ideal for autoscrubbers.
- ✓ Works equally well in hard water.

How Does It Work?

SUPERFORCE is a concentrated heavy duty cleaner and deodorant - safe on all washable surfaces.

It will remove all soils including dirt, food spills, greasy, oily films, fat, carbon and smoke deposits, ink spills, bathroom build-ups.

For Use On...

All surfaces not harmed by water including all floors, polished vinyl, tiles, walls, car tyres, upholstery, venetian blinds, glass, porcelain, kitchen ducting and stainless steel.

Technical Data

Composition

Grease cutting surfactants to attack and disperse greasy oily soils, builders and buffers for water softening, dispersion and suspension of soil and also pH control for prolonged cleaning action and perfume oils to leave a lingering fragrance.

Properties

COLOUR – Transparent red liquid
 ODOUR – Strong spice floral perfume
 pH = 11 - 11.5
 FOAM – Low to moderate foaming

Environmental Care

SUPERFORCE conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. SUPERFORCE is non-flammable and biodegradable. SUPERFORCE containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Colour Coding

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product that

are identified by colour and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
2. On the matching Dispenser Spray Bottle.
3. On the product chart for Colour Coded Cleaning.

This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
SUPERFORCE	pink	1	All purpose and floor cleaners
