

Product Data Sheet

Product Code: TANN

Issued: February 25, 2011

What is Tannex?

TANNEX is an effective mild-acid carpet spotter for removing stains caused by coffee, tea, beer, urine, berry, and red wine spillages.

Key Benefits

- ✓ TANNEX removes coffee and tea stains
- ✓ TANNEX is biodegradable

How Does It Work?

TANNEX is a mildly acidic carpet spotter for removing stains caused by coffee, tea, beer, urine, berry and red wine spillages. It is also useful for treating water stains and jute-stain browning from carpet backing fibres. The mild acidity of TANNEX is useful for neutralizing alkaline treatments like AMSOLVE and AMAZON G2.

Technical Data

Properties

COLOUR – Transparent water-clear liquid
ODOUR – Mild
pH = 1.5 ± 0.5

Environmental Care

TANNEX conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. TANNEX is non-flammable, biodegradable and contains no solvents. TANNEX containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".

First Certified: 30 April 1996

SAI Certificate No.: QEC7358

Application

- Absorb liquid spillages and scrape up or vacuum solid soilage before applying TANNEX.
- Apply neat TANNEX from a spraygun directly onto the remaining stain or spot.
- Do not over-wet the carpet.
- Gently work the TANNEX into the stain working from the outside towards the centre.
- After allowing time to react, blot out the stain with a clean white cloth or paper towel.
- Rinse area with water after spotting.
- Results are always best when spillages are cleaned promptly.
- If any stain remains that cannot be removed with TANNEX, it may be necessary to bleach the stain out by using COFFEE STAIN REMOVER.

Available in: 500ML, 5L

Dispensing Accessories:

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
