

Product Data Sheet

Product Code: TOO

Issued: October 16, 2018

What is Tools Down?

TOOLS DOWN is a professional workshop hand cleaner for removing all types of tough, industrial soils such as oil, grease, tar, sealants, soot, dirt and paint.

Key Benefits

- ✓ Easy on the skin
- ✓ Contains porcelain microspheres and pumice for a scrubbing action
- ✓ Very low solvent level
- ✓ Rich in skin softeners

How Does It Work?

TOOLS DOWN utilises the best mild detergent compounds coupled with porcelain microspheres to provide a gentle scrubbing action that removes the toughest in-grained oil and grease. The skin softeners and emollients in TOOLS DOWN leave the hands feeling soft and refreshed.

TOOLS DOWN is easy on the environment because it contains biodegradable surfactants.

For Use On...

TOOLS DOWN is a professional workshop hand cleaner for removing oil, grease, tar, sealants, soot, dirt and paint.

Technical Data

Composition

TOOLS DOWN is a lotion hand cleaner containing cosmetic-grade soaps and surfactants together with glycerine and wheatgerm oil derivatives.

Properties

APPEARANCE – Opaque green thick liquid
COLOUR – Green
ODOUR – Faint citrus
pH = 8.5 – 9.5
FOAM – High foam level

Environmental Care

TOOLS DOWN conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. TOOLS DOWN is non-flammable, phosphate-free, biodegradable and free from plastic beads. TOOLS DOWN containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".
First Certified: 30 April 1996
SAI Certificate No.: QEC7358

Application

- Do not wet hands before applying.
- Apply a small amount of TOOLS DOWN to the hands (2-4mL).
- Rub TOOLS DOWN over the back and palms of the hands, paying attention to the nails. Add water to create foam. You will see the grease dissolve.
- Rinse hands and then dry.
- If no water is available, apply TOOLS DOWN, rub then wipe hands clean with paper towel or cloth.

Available in: 750ML, 5L

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
