

What is Methylated Spirit?

A solvent for removing soilage and stains caused by adhesive tape marks, cosmetics, hand prints, fats and some types of ink. It is also a powerful germicide.

How Does It Work?

METHYLATED SPIRIT is suitable for removing adhesive tape marks, cosmetics, touch marks, fats and some types of ink stains from hard surfaces. It is particularly useful for removing random spots and marks from windows. METHYLATED SPIRIT also kills many germs and is therefore a useful sanitiser for toilet seats and other fittings.

For Use On...

METHYLATED SPIRIT is a solvent for removing soilage, spots and stains from hard surfaces, including glass, which require fast, clear drying.

Technical Data

Properties

METHYLATED SPIRIT is a Class 3 flammable liquid.

U.N. No: 1170	CLASS: 3
PACK GRP: II	HAZCHEM: 2[Y]E

Environmental Care

METHYLATED SPIRIT conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. METHYLATED SPIRIT containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".
First Certified: 30 April 1996
SAI Certificate No.: QEC7358

Application

- Apply neat METHYLATED SPIRIT from a clean cloth directly onto the stain or spot.
- Rub until the stain has dissolved.
- For window cleaning, METHYLATED SPIRIT may be diluted with water.

First Aid

If poisoning occurs contact a doctor or Poisons Information Centre (Ph: 131 126 Australia wide). If swallowed and if more than 15 minutes from a hospital, induce vomiting, preferably using Ipecac Syrup APF.

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable.
