

Product Data Sheet

Product Code: VEN

Issued: February 25, 2011

What is Venue?

VENUE is a fast-acting spray and wipe cleaner for glass, stainless steel, and chrome surfaces. It removes soilage from windows and display cabinets without leaving any streaking.

Key Benefits

- ✓ Specially designed for spray/wipe application.
- ✓ Dries without streaking.
- ✓ Automatically dispensed at the correct strength – no guesswork and no waste!
- ✓ Safety in use – colour coded product and bottles make it easy to identify.

How Does It Work?

VENUE is a fast-acting cleaner for glass, stainless steel and chrome surfaces. It removes oil, greasy films, lipstick, finger marks and all other soilage from windows and display cabinets without leaving any filmy streaks. VENUE leaves glass windows clean & sparkling.

VENUE is one of the Agar range of cleaning concentrates – fully effective, economical chemicals for safe, controlled dispensing with a colour coded system.

VENUE is, phosphate-free and biodegradable. VENUE containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".
 First Certified: 30 April 1996 SAI Certificate No.: QEC7358

Colour Coding

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product

that are identified by colour and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
2. On the matching Dispenser Spray Bottle.
3. On the product chart for Colour Coded Cleaning.

This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
VENUE	Light blue	5	Disinfectant and Antibacterial detergents

VENUE is a Colour Code 5 (light Blue) product

Application

- Ready-to use solutions are dispensed from the Agar Cleansave Dispenser. This unit provides a dilution of 1:5 automatically.
- Spray a light mist onto the surface then polish dry with a paper towel or lint-free cloth. In the unlikely event that any films or smears remain on the glass, just repeat the application.
