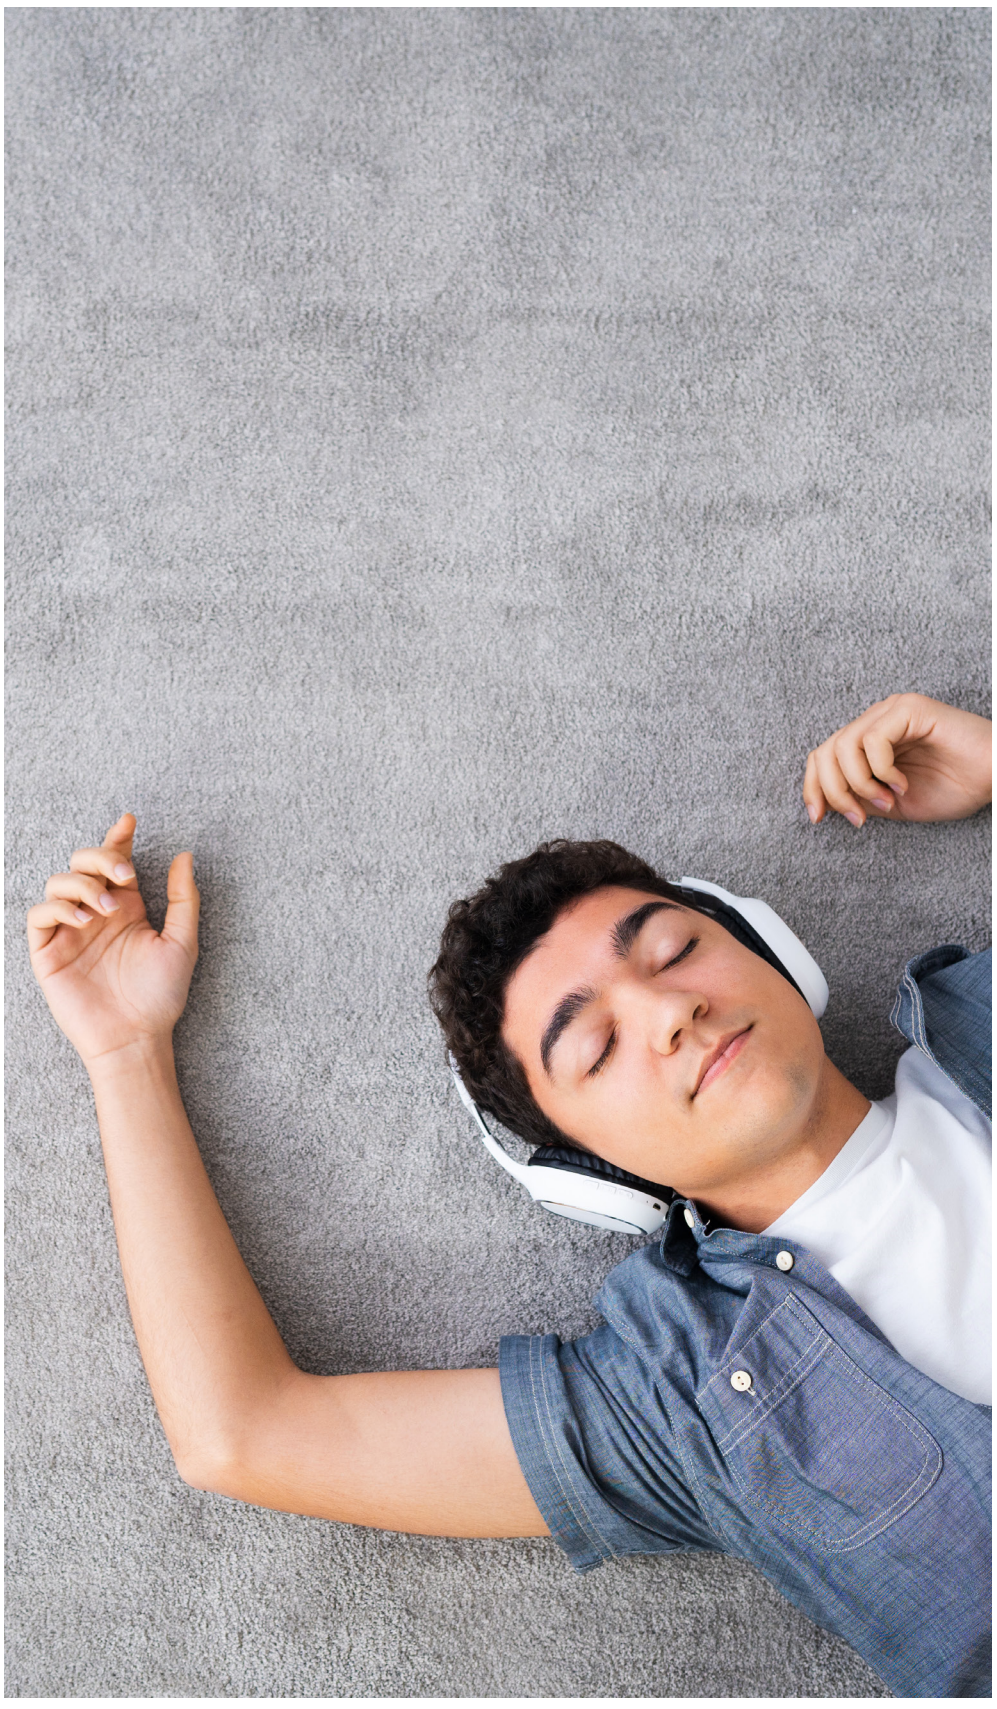
High performance carpet products for professionals

Years of dedication to formulating hard working and reliable carpet cleaning products has seen Agar develop an extensive and effective range.

Designed for simplicity, user friendliness and performance, Agar's carpet care range tackles even the toughest stains for beautiful results.



Agar Benefits:

- Value for money
- Fast and effective results
- Uses latest technologies
- Australian made
- Extensive yet compact range

Pre-Spraying & Hot Water Extraction Formulations

Amazon G5

New superior formulation, Amazon G5 cleans carpets faster and achieves better results than ever before. The carpet powder detergent, designed for use with HWE machines, has more alkaline reserves to attack really dirty carpets in restaurants and pubs. Now a yellow powder with floral perfume, Amazon G5 has new low-foaming ingredients which minimise foam in the recovery tank and improve productivity.

Perfume | Citrus pH Level | 11.5 – 12.5 Sizes available | 1KG, 10KG

Citrus Extra

Biodegradable, phosphate free with natural citrus-based ingredients, Citrus Extra is a new-generation pre-spray liquid detergent for HWE carpet cleaning, in compliance with AS 3773. It is safe for general purpose use. The Citrus Extra solution is applied direct to the carpet while only water is used in the solution tank. Citrus Extra is low alkaline, low-foaming and free rinsing.

Perfume | Citrus pH Level | 9.8 – 10.8 Sizes available | 5L, 20L

Exit

A liquid detergent formulated for use in the tank of HWE carpet cleaning equipment. With a concentrated fast-acting blend of surfactants and controlled pH, Exit provides safe, effective cleaning. The popular, lingering perfume leaves a great impression.

Perfume | Floral pH Level | 9.0 – 10.0 Sizes available | 5L, 20L

Green 'N' Gold

An environmentally preferable detergent for cleaning carpets by hot water extraction. It contains fast-acting cleaning agents and is pH controlled to be safe to use on 100% wool carpets, nylons and all washable synthetic fibres.

Perfume | Citrus pH Level | 5.5 – 7.5 Sizes available | 5L

Solspray

A versatile liquid cleaner which can be used on carpet. Its moderate pH is ideal for pre-spotting, pre-spraying and in-tank HWE applications. Concentrated solvents and surfactants make Solspray ideal for greasy or oily soilage. Excellent for troublesome nylon carpet.

Perfume | None pH Level | 10.0 – 11.0 Sizes available | 5L, 20L

Other Cleaning Methods

Bonnet Cleaner

A premium liquid detergent for cleaning all types of carpet by the rotary bonnet method. Fast-reacting and quick drying, it offers exceptional value for money. Ideal interim cleaning method between full extraction cleans.

Perfume | Floral pH Level | 8.5 – 9.5 Sizes available | 5L

Cap-It-Off

An encapsulation cleaner for use on all types of carpet and washable fabric upholstery. CAP-IT-OFF encapsulates soils so they can be removed by vacuuming when dry.

Perfume | Floral pH Level | 8.0 – 10.0 Sizes available | 5L

Carpet Shampoo

a concentrated cleaner which lathers up to a rich, stable foam that removes and suspends soil from carpet fibres. It produces a dry foam that will not wet the carpet backing.

Perfume | Fruity pH Level | 8.0 – 9.0 Sizes available | 5L

Foam Control

Antifoam
A super concentrated silicone defoaming agent. Add a few drops to your recovery tank to prevent foam from reducing valuable capacity.

Perfume | None **pH Level | 6.0 – 7.0** **Sizes available | 1L, 5L**

Spotters & Stain Removers

Amsolve
Removes carpet stains caused by orange juice, soft drinks, wine, blood, and protein-based foodstuffs such as milk, egg, ice-cream and chocolate. It is also excellent for restoring traffic-soiled synthetic fibre carpets.

Perfume | None **pH Level | 11.6 – 12.7** **Sizes available | 500ml, 5L**

Carpet Spotter B
Carpet-stain-removal solvent. Suitable for removing adhesive tape marks, cosmetics, Lysol, oil stains and some types of ink stains from carpet and hard surfaces.

Perfume | Fruity **pH Level | N/A** **Sizes available | 5L**

Citrus Spotter
A natural solvent derived from orange peel. It is an effective stain remover for dissolving oily, greasy stains, paint, chewing gum, tar, asphalt and other oil-based stains.

Perfume | Citrus **pH Level | N/A** **Sizes available | 5L**

Coffee Stain Remover
A super powerful 2-part peroxide based product for attacking stubborn coffee and red wine stains. Highly potent formula for removing coffee and other 'impossible' stains from carpet, fabric and hard floor surfaces.

A **Perfume | None** **pH Level | 11.3 – 12.5** **Sizes | 500ml**

B **Perfume | None** **pH Level | 1.0 – 3.5** **Sizes | 500ml**

Cure
A powerful liquid for removing red and yellow stains caused by food dyes and by urine stains in carpets and other fabrics.

Perfume | None **pH Level | 10.0 – 13.0** **Sizes available | 500ml**

G-Solve
A breakthrough formula that provides an excellent general cleaning solvent and carpet spotter that dissolves grease, oil, tar and some kinds of ink while remaining non-flammable.

Perfume | Sweet **pH Level | 6.0 – 7.5** **Sizes available | 500ml, 1L, 5L**

Rustex
A fast-acting treatment for removing rust stains from carpets. Rustex dissolves the iron hydroxide salts that are present in rust and enables the stain to be rinsed free from the carpet fibres. HF acid formula. Exercise extreme caution, handle with care.

Perfume | None **pH Level | 2.0 – 3.0** **Sizes available | 500ml**

Spot Wiz
Versatile, effective general purpose carpet spotter with citrus-based ingredients. Comes in handy spray packs. Spot Wiz is ideal for distribution to all cleaners for immediate use on spots and spills. Also ideal for household use.

Perfume | Orange **pH Level | 9.5 – 10.5** **Sizes available | 750ml, 5L**

Tannex
An effective mild-acid carpet spotter for removing stains caused by tea, coffee, beer, urine, berry and red wine spillages. Ideal for treating water stains and jute stain browning. The mild acidity of Tannex is useful for neutralising alkaline treatments like Amsolve and Exit.

Perfume | None **pH Level | 0.2 - 2.0** **Sizes available | 500ml, 5L**

U-Remove
An advanced stain and odour remover that uses biologically active ingredients to digest organic soilage and uric salts. It can be used on a variety of surfaces including carpets, underlay, mattresses, curtains, fabrics and artificial turf. Its pleasant fresh fragrance helps mask unwanted smells while good bacteria continue to digest the stains until they are completely gone.

Perfume | Fresh **pH Level | 5.0 – 9.0** **Sizes available | 750ml, 5L**

Treatments

Anti-Static Carpet Spray
Easy-to-apply carpet treatment that prevents static electricity from building up in carpet fibres.

Perfume | Floral **pH Level | 6.5 – 8.0** **Sizes: | 5L**

Browning Treatment
A powerful liquid treatment for removing jute stain cellulosic browning caused by overwetting or flooding of carpets and upholstery.

Perfume | None **pH Level | 3.0 – 4.9** **Sizes available | 5L**

Everfresh
A concentrated liquid formulated for neutralising and removing bad odours from carpets.

Perfume | Spice **pH Level | 5.0 – 7.0** **Sizes: | 5L**

Neutraliser
A powerful solution for neutralising alkaline residues in carpets and hard floors.

Perfume | None **pH Level | 2.0 – 3.0** **Sizes available | 5L**

Protector
A high-quality water-based fabric protector, based on fluoro-polymer technology. Suitable for fabric upholstery, drapes, rugs and carpet. Protector forms an invisible barrier to soil and stain penetration around the fibres. Spillages clean up easily and the fabric stays cleaner and brighter for longer.

Perfume | None **pH Level | 5.5 - 6.5** **Sizes available | 5L**

Agar's Effective Cleaning Products

Agar's approach to carpet cleaning is built on superior formulation of concentrated cleaners that offer dependable performance and great value.

Our range of stain removers, pre-sprays, hot water extraction (HWE) formulations, treatments and upholstery care products provide the answer for every task. This is a range that professionals rely on with even the oldest of carpets and fabrics looking revitalised again.

7 Steps to Spot Removal Success

- Act quickly
- Absorb liquids, vacuum solids
- Use lukewarm water, if required
- Pre-test spotter before use
- Follow Spot Cleaning Instructions*
- Dry the carpet promptly
- Use care with carpet tiles, avoid solvents*

*Refer to Agar's Spot Removal Guide for detailed information on spot cleaning and choosing the right product for removing all kinds of stains.
